

Learning together...

Curriculum Area: STEAM

Recommended for: Preschool

Learning Activity: Towers

Big Idea:

What makes a great construction?

What to do:

Together make a collection of objects to build with and place them in a pile. Set your child the challenge of building a tower as tall as themselves. Then try making towers using spaghetti, straws, rolled up paper, construction sets.

Benefits:

- Building challenges your child to persevere, think of alternative solutions and think creatively.
- Supports the development of hand and eye coordination, spatial awareness and problem solving skills.

Links to Early Years Learning Framework:

Outcome 3: Children have a strong sense of wellbeing

Outcome 4: Children are confident and involved learners

Outcome 5: Children are effective communicators
